Dear Ms. Daley:

This is in response to your Freedom of Information Act (FOIA) request dated September 5, 2007, which has been assigned Minerals Revenue Management (MRM) FOIA No. 2007-055. Your letter requested: "Any progress reports on the implementation of the December 2006 report, "Action Plan to Strengthen Mineral Management Service [MMS] Compliance Program Operations." Ms. Tracey Fay confirmed in a phone conversation with Ms. Lisa Driskill on December 4, 2007, that the "Quarterly Executive Report Regarding the Overall Status of the 'Action Plan to Strengthen Minerals Management Service Compliance Program Operations'," dated September 17, 2007, will satisfy your request. Enclosed is the ten page memorandum and status report.

For your future reference, in accordance with 43 C.F.R. § 2.16 (2006), we assess user fees to fulfill a FOIA request. Personnel charges cover our costs to conduct document searches and to review, identify, and delete privileged and confidential information. Other charges cover the direct costs of providing the material. The fee waiver granted to POGO covers all charges for this FOIA. If you have any questions regarding your request, please contact Ms. Fay at 303-231-3430.

Sincerely,

Gregory K. Kann
Freedom of Information Act Officer
