Re: Freedom of Information Act Request

Dear Ms. Morgan:

I am making this request under the Freedom Of Information Act ("FOIA"), 5 U.S.C. § 552.

I would like to request copies of all reports and analyses produced by the Lukens Energy Group under contract for the MMS including but not limited to what was described in the MMS 2008 budget:

“In January 2003, MMS engaged the Lukens Energy Group to evaluate the capabilities and performance of the RIK operation, make recommendations for improvement, and provide advice on a five year strategic business plan for the RIK operation.

The Lukens Energy Group concluded in a series of reports, including the final assessment report issued in September 2003, that the MMS RIK business model had performed well in a volatile marketplace, and that the program had evolved from pilot projects to a well-developed operational program.”

I request a waiver of all costs associated with fulfilling this submission pursuant to 5 U.S.C. § 552(a)(4)(A)(iii). Disclosure of the requested records will further the “public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest” of the requester, the Project On Government Oversight (POGO). Specifically, POGO intends to use the requested records to highlight [issue i.e., when appropriate, specifically explain how the disclosure of the requested records will contribute to public understanding of the operations or activities of the government].

Founded in 1981, POGO is an independent nonprofit that investigates and exposes corruption in order to achieve a more accountable federal government. POGO disseminates information about its activities to thousands of concerned citizens, policymakers, and the media via email, direct mail, and its web site <http://www.pogo.org>, which receives 75,000 visitors monthly. The information provided by the agency will be used for the following activities: publication by email and on our website; publication in reports and newsletters issued by POGO; publication in the newsletters of affiliated nonprofit organizations; efforts to educate Congress, the Executive Branch, and other policymakers in Washington, DC; or investigational projects conducted in conjunction with the news media.

If this request is denied in full or in part, please cite the exemptions pursuant to 5 U.S.C. § 552(b) that justify the denial. If an exemption applies, however, please consider exercising the agency's discretionary release powers to disclose the records. Additionally, please release all reasonably segregable portions of the records that do not meet an exemption.

I look forward to your response within 20 days of the receipt of this request, unless, in the case of "unusual circumstances," the time limitation is "extended by written notice." I may appeal this request if it is wholly or partially denied or if the agency fails to respond within 20 days. I am aware that, if successful, a federal district court may assess "reasonable attorney fees and other litigation costs" per 5 U.S.C. § 552(a)(4)(E).

Please contact me if this request requires further clarification. Thank you for your prompt attention to this matter.

Sincerely,

Beth M. Daley
Director of Investigations
