General Comment

I am against the ONRR Proposed Rule: Consolidated Federal Oil and Gas and Federal and Indian Coal Valuation Reform.

The Proposed Rule:

1. Creates significant uncertainty.
2. Gives the Secretary of the Interior too much power.
3. Punishes miners that sell to small industrial customers and export coal, and hurts coal cooperatives and captive mine power plans.
4. Discourages federal lands energy production.
5. Needs more study and review.

Thank you.
