OFFICE OF THE
EXECUTIVE SECRETARIAT

RE: Consolidated Federal Oil and Gas and Federal Indian
Coal Valuation Reform Rules. (ONRR-2012-0004 (1012-
AA13))

Dear Secretary Jewell,

I respectfully request that the Department of the Interior's Office of Natural Resources Revenue provide a 60-day extension to the comment period for the above-referenced proposed rule.

The proposed changes were released to the public in January of this year. The current comment period ends March 7. The proposal is complex and has the potential to significantly affect Wyoming's economy and, of my direct concern, our public school system. Additional time to evaluate the ramifications of this proposal and provide you with comments would be greatly appreciated. A 60-day extension will give us that time.

Thank you for your time and consideration and your service to our country.

Sincerely,

Jillian Balow
Superintendent of Public Instruction
