

Appendix B

ONRR Lease, Unit, or Communitization Agreement Number

ONRR assigns a 10- or 11-character lease, unit, or communitization agreement number identifying each Federal or Indian mineral lease or agreement. The ONRR lease, unit or communitization agreement number is used on the PASR and OGOR-A, -B, and -C. On the OGOR, you can use the agency-assigned number in lieu of the ONRR lease or agreement number.

B.1

ONRR Lease Conversion

The components of the lease number are assigned as follows:

| | | |
|--------------------|-------------------------|-------------------------------|
| ONRR prefix | Lease identifier | Lease segregation code |
| 999 | 999999 | XX |

Example:

| | | |
|-----|--------|---|
| 054 | 012345 | 0 |
|-----|--------|---|

NOTE

The number 9 denotes numbers; the letter X denotes letters or numbers.

Issuing agency lease prefix. A prefix assigned by BLM, BIA, or BOEM is converted to an ONRR three-digit prefix.

To convert an offshore lease prefix, see Offshore Lease Prefixes on page B-4. To convert an onshore lease prefix, see Onshore Lease Prefixes starting on page B-5.

Table B-1 contains a numerical list of all valid financial accounting system lease prefixes.

TABLE B-1 Valid financial accounting system lease prefixes

| Prefix | Region | Prefix | Region |
|------------------|------------|------------------|------------|
| 002 | Anchorage | 006 | California |
| 003 | New Mexico | 007 ^a | Nevada |
| 004 ^a | Colorado | 010 | Washington |
| 005 | Colorado | 011 | Arizona |

^a Indicates a prefix used for acquired lands.

TABLE B-1 Valid financial accounting system lease prefixes (cont.)

| Prefix | Region | Prefix | Region |
|------------------|-----------------------|------------------|---|
| 016 | Idaho | 068 | Montana |
| 024 | Montana | 069 | Colorado |
| 025 ^a | Montana | 070 ^a | Colorado |
| 027 | Nevada | 071 | New Mexico |
| 029 | New Mexico | 072 | California |

| 521 | Indian/New Mexico | 883 | North Dakota |
| 522 | Indian/Colorado | 884 | North Dakota |
| 523 | Indian/Montana | | |

^a Indicates a prefix used for acquired lands.

Lease identifier. If the number originally assigned is fewer than six digits, ONRR converts the BLM or BIA onshore or BOEM offshore serially assigned lease identifier by preceding the number with zeros to form a six-digit number.

Lease segregation code. The last character of the ONRR lease, unit, or communitization number is a BLM- or BIA-assigned alphabetic suffix to the lease number when the lease was segregated from an existing lease because of an approved assignment. If the lease has not been segregated by assignment, the code is zero (**0**). For units, each Participating Area (PA) is assigned an alphabetic character for this field during conversion. If the unit is an exploratory unit, secondary recovery unit, or tertiary recovery unit, the code is **X**.

B.1.1

Offshore Lease Prefixes

Table B-2 contains information necessary for determining your correct prefix based on the offshore region from which the lease was issued.

TABLE B-2 Lease prefix conversions for offshore

| BOEM issuing office | OCS prefix | ONRR financial accounting system prefix |
|----------------------------|-------------------|--|
| Alaska | OCS-Y | 111 |
| Atlantic: | | |
| Middle | OCS-MA | 056 |
| South | OCS-SA | 057 |
| North | OCS-NA | 058 |
| Gulf of Mexico | OCS-G | 054 |
| | OCS | 055 |
| Pacific | OCS-P | 088 |

B-1-2

Onshore Lease Prefixes

Leases issued by BLM between July 1, 1908, and June 30, 1966, are designated **0** series leases and are distinguished by a zero as the first digit of the lease body. All other leases are called **X** series leases. For example, a **0** series lease might be W-047659; the same serial number issued as an **X** series would be W-47659.

The following example illustrates how a BLM lease number is converted to a financial accounting system lease number.

BLM Lease No. W-47659

| | Wyoming X series converts to | Add leading 0 to accommodate the financial accounting system data element size of 6 digits | Add suffix of 0 if no other is indicated |
|--|---|---|---|
| Financial accounting system lease number | 049 | 047659 | 0 |

Table B-3 contains lease prefix conversions for onshore sorted by BLM State office and ONRR prefix.

TABLE B-3 Lease prefix conversions for onshore

| BLM State office | Surface agency prefix | ONRR financial accounting system prefix |
|-----------------------------|------------------------------------|--|
| Alaska | Anchorage | 002 |
| All States | BLM-A | 044 |
| Arizona | A (Arizona X series) | 011 |

B.2

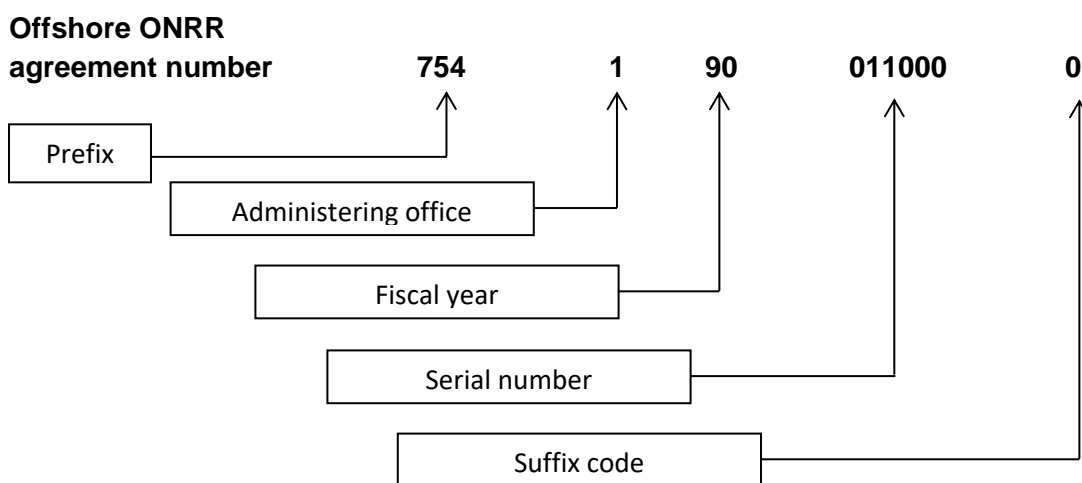

Unit or Communitization Agreement Conversions

This section contains information and tables for converting offshore and BLM agreement numbers to ONRR agreement numbers.

B.2.1

Offshore Agreement Conversion

The following schematic, text, and Table B-4 explain the offshore ONRR agreement conversion prefixes.

Prefix. This is a pre-assigned code unique to each administering office.

Administering office. This one-digit block identifies the offshore administering office.

| Code | Office |
|------|---------------------------|
| 1 | Alaska OCS Region |
| 2 | Atlantic OCS Region |
| 3 | Gulf of Mexico OCS Region |
| 4 | Pacific OCS Region |

Fiscal year. The fiscal year must be used in converting an offshore agreement number to the financial accounting system because it is the only distinguishing number from year to year.

Serial number. Each fiscal year, the offshore regional offices start numbering agreements beginning with number 001.

Suffix code. The last one or two characters of the ONRR unit agreement number is a code assigned by BOEM to the unit number when the unit is first approved and/or has formed a new Participating Area (PA). Each new PA is assigned a unique letter for this field, usually starting with an A; however, all old offshore units were originally assigned a code zero (**0**). If the unit is an exploratory unit, the code is **X**. When only one character exists, the field must be left-justified with the second character blank.

TABLE B-4 Offshore agreement prefix conversions

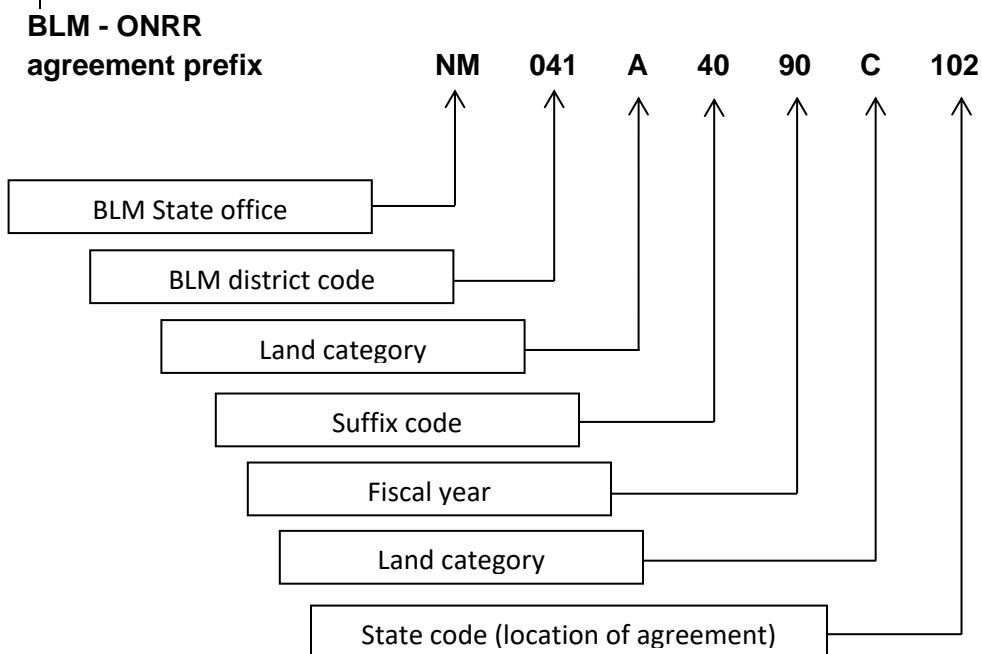

| ONRR financial accounting system agreement prefix | ONRR OCS agreement number | BOEM OCS region | Agreement type |
|--|----------------------------------|---------------------------|-----------------------|
| 750- | 1(FY)(Serial #) | Alaska OCS Region | unit |
| 752- | 2(FY)(Serial #) | Atlantic OCS Region | unit |
| 754- | 3(FY)(Serial #) | Gulf of Mexico OCS Region | unit |
| 756- | 4(FY)(Serial #) | Pacific OCS Region | unit |
| 891- | 14-08-0001 | All Regions | unit |

Note: There are no offshore communitization agreements.

B.2.2

Onshore Agreement Conversion

The following schematic and text explain the onshore agreement conversions for agreements issued prior to January 1, 1988.

BLM State office. This block is the two-letter abbreviation for the BLM State office that has administrative jurisdiction over the agreement.

BLM district code. This block is a numeric code for the BLM district office that approved the agreement.

Note: As part of an organizational restructuring in the 1996 - 1997 time frame, BLM redesignated its District Offices as Field Offices or Field Stations.

Land category. On a Federal agreement, the land category may vary as follows:

- P = public domain
- A = acquired land
- M = military land

On an Indian agreement, the land category is always I (Indian).

NOTE

If an agreement contains more than one category of land, BLM assigns the prefix according to which category has the highest percentage of land in that agreement.

State code. This block is a numeric code representing the State in which the agreement is physically located. Most districts operate in only one State, so the State code remains constant. However, some BLM districts have responsibility for more than one State. In these instances, the various States for which that district is responsible are listed in the Variables column of Table B-7 on page B-17.

Fiscal year. The fiscal year must be used when converting a BLM agreement number to a financial accounting system number. At the beginning of each fiscal year, BLM starts renumbering from the beginning of its block of serial numbers, so the only distinguishing number from year to year is the fiscal year. The Federal fiscal year begins on October 1 and ends on September 30.

Agreement type. The agreement type may vary as follows:

C = communitization agreement

U = unitization agreement

Federal communitization agreements and units are assigned separate prefixes for each BLM district office. However, Indian communitization agreements and units have been combined under a single prefix for each BLM district. Therefore, an Indian agreement prefix may be either C (CA) or U (UA).

Serial number. Each State has been issued a block of numbers for use in assigning serial numbers. Each fiscal year, BLM starts numbering agreements from the beginning of its block of numbers.

For onshore agreements issued after January 1, 1988, ONRR began using the BLM numbering system. You may report either the ONRR agreement number or the agency-assigned agreement number; however, as you can see, it might be easier for you to use the agency-assigned number because there are no embedded spaces in the number.

| | BLM number on agreement document | ONRR agreement number * | Agency- assigned agreement number |
|--------------------------------|---|-------------------------------|--|
| ONRR one-letter prefix: | | | |
| Communitization agreement | COC53211 | C---53211 | COC53211 |
| Unit agreement | COC53211X | C--53211X | COC53211X |
| ONRR two-letter prefix: | | | |
| Communitization agreement | NMNM83541 | NM--83541 | NMNM83541 |
| Unit agreement | NMNM83541A | NM--83541A | NMNM83541A |

* Each '-' represents a space for illustration purposes. Spaces apply to only ONRR agreement numbers.

Because of system restrictions, BLM **compensatory royalty agreement** numbers must be converted to ONRR lease numbers using the **889-** prefix, the BLM base agreement number, and **-0** suffix.

BLM State and district office codes and State codes. Table B-5 lists letters and numbers for identifying the State and district offices having jurisdiction over the agreement area.

API State codes. Table B-6 lists the State codes used in the API well number.

Onshore agreement prefix conversions. Table B-7 lists the ONRR prefixes that convert to the BLM agreement prefixes.

TABLE B-5 BLM State and District Offices

| State | District | Code | State | District | Code |
